Awards

Packplay 2 - Do we really need another package? Awarded 2017

In conjunction with artist, Billy Harris, we were selected as one of the best sustainable package redesigns. Our work is now featured in the book *Avonsnous Besion D'un Autre Emballage?*, and was shown at the World Design Summit.

Wyoming Wildlife Photography Contest,

As part of their annual photography competition, 3 of my works were featured in their magazine.
